## Education

Dynamic and results-driven Web Developer with hands-on experience in crafting robust web applications. Expert in React.js, Redux, JavaScript, HTML and CSS with a proven track record of delivering high-quality solutions. Adept at leading cross-functional teams, optimizing user experience, and integrating emerging technologies.

## Skills

- **Frontend Development:** React.js, JavaScript, HTML5, CSS3.
- **Database:** MySQL, MongoDB.
- **Programing:** Java, C.

- **SDLC:** Agile development methodologies
- **Backend Development:** Node.js, Express.js.
- **Tools & IDEs:** Eclipse, NetBeans, VS Code, Notepad++.

## Projects

**PROJECT TITLE: e-Book Store** – Personal Project

- Designed and implemented responsive and intuitive user interfaces **using React**.
- Leveraged Material-UI and **Tailwind CSS** to create visually appealing and consistent UI components.
- Implemented **Redux** for efficient state management, ensuring consistent and predictable application behavior.
- Developed and integrated API services to fetch and manage data from the backend.
- Created the backend using **MongoDB**, enabling efficient data storage and retrieval.

**PROJECT TITLE: HOSTEL MANAGMENT SYSTEM** – Personal Project

- Implemented frontend using **React.js** respectively.
- Utilized **MongoDB** for efficient data storage and retrieval, enabling hostel administrators to manage hostel operations effectively.
- Implemented authentication, routing, and data fetching functionalities to enhance user experience and system functionality.
- Technologies Used: React.js, Node.js, Express.js, MongoDB, HTML, CSS, **JavaScript, Tailwind, Axios**.

## Work Experience

**ZEKSTA TECHNOLOGY PVT LTD –** Software Engineer Trainee **–** Bangalore, KA        Feb 2024 – Present

- Developed and maintained dynamic user interfaces using React.js, enhancing the user experience and ensuring responsiveness across various devices.
- Collaborated with backend developers to integrate RESTful APIs, ensuring seamless data communication and efficient functionality.
- Utilized modern CSS frameworks such as Material-UI and Tailwind CSS to create visually appealing and consistent designs.
- Utilized version control systems like Git for efficient project management and collaboration with team members.
- Conducted code reviews and participated in agile development processes, contributing to a collaborative and efficient development environment.

## Education

**MASTER OF COMPUTER APPLICATIONS** – Jain University – Bengaluru, Karnataka (2022-2024)

**BACHELOR OF SCIENCE** – Babu Banarasi Das University – Lucknow, Uttar Pradesh (2019-2022)
